Thomas A. Day

OFFICE—Public Ledger Building, No. 10 East Third Street, Maysville, Ky.

SUBSCRIPTIONS—IN ADVANCE.  
One Year.....\$5.00  
Six Months.....1.50  
Three Months......75  
DELIVERED BY CARRIER.  
Per Month.....30 Cents  
Payable to Collector at end of Month.

THE Greenup Gazette has started upon its twentieth year, and gives evidence of a long, a prosperous and a useful life.

THE LEDGER would like to know why the late Grand Jury did not make report of the papers that were before it concerning illegal voting at the recent election. In other words, what became of the papers?

THE Louisville Post says the election in Kentucky was held under Goebel Democratic election officers in 119 counties, the reason why they had control in only 119 counties being that there were no more counties to conquer.

COLONEL J. NOEL JOHNSON will next week begin at Vanceburg the publication of "The Warm Baby." It will be "something new under the sun," strongly anti-Goebel in its tone; and Mr. JOHNSON'S well known brilliancy and incisiveness as a political writer are sure to make it all that its name implies. THE LEDGER welcomes Colonel JOHNSON to the fold, and wishes his enterprise an unbounded success.

MR. BRYAN has discovered before this time that there is a good deal of "Imperialism" in his section of the country. The states West of the Mississippi gave him a majority of 270,000 in 1896. Those states cast a majority of 82,000 for President McKinley in 1900. Here is the most striking change which was represented in the recent canvass. Flag-furling is unpopular in Nebraska, Kansas, the Dakotas, Minnesota, Iowa and the rest of the states from the Mississippi to the Pacific. If there had been an honest election in Missouri this state, too, would have cast a majority against "anti-Imperialism."

Cold and cough cures are numerous, but the one that leads all others in merit is Foley's Honey and Tar, which is in great demand these days. J. Jas. Wood & Son and Armstrong & Co.

The Czar of Russia only weighs 112 pounds. The young Queen of Holland is more portly. Her weight is 150 pounds.

An attractive woman thrives on good food and sunshine, with plenty of exercise in the open air. Her form glows with health and her face blooms with its beauty. When troubled with a constive habit, she takes a few doses of Herbine to cleanse her system of all impurities. Price, 50 cents. J. Jas. Wood & Son.

During the past fiscal year Cuba, Porto Rico, the Hawaiian Islands and the Philippines furnished a market for \$45,000,000 worth of our domestic products. Five years ago these islands took but \$13,000,000 worth.

STATE OF OHIO, CITY OF TOLEDO, Lucas County.

Cheney & Co., doing business in the city of Toledo, county and state aforesaid, and that said firm will pay the sum of one hundred dollars for each and every case of Catarrh that cannot be cured by the use of Hall's Catarrh Cure. FRANK J. CHENEY.

Mrs. P. B. Shaffner, now in Chicago, is to receive \$13,333 for posing for an hour before one of the French painters. The painting took the first prize at the Paris Exhibition, and was sold to a New York millionaire for \$40,000. The agreement with the model was that she was to receive one-third of the selling price. Mrs. Shaffner has been a model since she was five years old.

### \$1,000 Worth of Good.

A. H. Thurness of Wells Creek Coal Co., Buffalo, O., writes: "I have been afflicted with kidney and bladder trouble for years, passing gravel or stones with excruciating pain. Other medicines only gave relief. After taking Foley's Kidney Cure the result was surprising. A few doses started the brick dust, like fine stones, etc., and now I have no pain across my kidneys and I feel like a new man. Foley's Kidney Cure has done me \$1,000 worth of good." J. Jas. Wood & Son and Armstrong & Co.

### EMPHATIC TALK.

The Kind That Carries Conviction to Every Maysville Reader.

Conviction must follow such emphatic proof as is given here. The testimony of Maysville residents should satisfy the most skeptical. Here is a Maysville case. Read it and see if doubt can exist in the face of this evidence.

Mr. M. C. Chisholm of 313 East Second street says:

"Mr. Chisholm speaks in high terms of Doan's Kidney Pills. He procured them at J. Jas. Wood & Son's Drugstore, corner of West Second and Market streets, and their use proved them to be an effective kidney remedy. I have heard others express their great appreciation of Doan's Kidney Pills, and a medicine which cures kidney trouble is a most desirable one of which to know."

For sale by all dealers; price 50 cents a box. FOSTER-MILBURN CO., Buffalo, N. Y., Sole Agents for the United States. Remember the name—DOAN'S—and take no substitute.

## Useful Household Articles

The attention of every housekeeper in this section is called to the articles named below, all of which are used almost every day in the year. They are the best that can be bought anywhere, and when the Frank Owens Hardware Co. recommends an article you know it's the best that money will buy:

**Universal Food Choppers  
Enterprise Meat Cutters  
Enterprise Card Presses  
Butcher Knives,  
Fire Shovels, Pokers,  
Claws, Fire Guards,  
Scoop Shovels,  
Axes and Axhandles.**

The prices are too low to mention in print—there are no figures small enough to fit the prices we have marked on them. But the smallness of the price does not diminish the value of the article at all.

#### MARKS DISTURBED.

Merrick's Widow Swore He Was Dead When the License Was Issued For Her and Moore.

Princeton, Ky., Dec. 3.—Frank Merrick's father has refused to allow his son's grave to be reopened to ascertain or not whether the body has been removed. Most people are satisfied that the grave was opened. The fact that the aged father is opposed to disturbing the grave caused comment, but no significance is attached to it by those in a position to judge. The father is a man of integrity. His decision is prompted by his love for his only son. Mrs. Moore has left Princeton and can not be located.

Merrick's widow, who was married to James Moore on the day following his burial, swore when the license was issued that her husband was dead, regardless of the fact that nearly everybody was inclined to believe that his reported death was merely a ruse, as she had not seen him for possibly a week. It has been ascertained since, however, that Merrick died, though whether of natural causes or not is not explained to the satisfaction of everybody. The fact that his body was swollen has caused many to believe that he was poisoned, though by whom it is hard to determine. The general opinion is that in case Merrick was poisoned the guilty parties were desirous of getting rid of the body to escape detection if the authorities exhumed him.

James Merrick, cousin of the dead forger, was the last man who left the grave after the burial, and he marked the grave in anticipation of grave robbers. On investigation the next morning it was found that some of the marks were remaining or marks of the same kind, but they were at the foot of the grave. It has since been found that a man disguised as a tramp watched the burial from the cover and was seen to examine the mound. On that night a tightly curtained, closed wagon was seen by many to issue from the lane leading to the burying ground, and the driver drove his team at a very rapid rate over a rock road. All this leads to the belief that the grave was opened.

#### The Prisoner Removed.

Louisville, Ky., Dec. 3.—The jailer and coroner of Lawrence county and another guard left here Sunday for Mt. Sterling with John Abbott, who has been held without bail for killing Jay Burton last week. There were apparently well-founded rumors that a mob was being formed to lynch Abbott, and it was thought best to remove him at once to Mt. Sterling.

Ashland, Ky., Dec. 3.—John Abbott, who killed Attorney Jay Burton, was brought here Sunday night. He was

first taken to Catlettsburg, but the officers found a crowd waiting to lynch Gibson and were afraid the enraged citizens might decide to dispense with a trial for Abbott.

#### William Gibson Captured.

Ashland, Ky., Dec. 3.—William Gibson, the child murderer, is undoubtedly captured, and officers of the law have given up the chase. A direct message from Rush, Ky., says that he has been captured there and is being held for a reward. His captors are miners and have him secreted in the mines. Gov. Beckham is expected to offer a reward Monday and it probably will be \$500. As sure as it is offered the man will be taken to Catlettsburg and turned over to the proper officials.

#### Business Block Burned.

Fulton, Ky., Dec. 3.—An exposed electric wire caused a \$200,000 fire here. The fire originated in Kirk's department store. Will Tharp and Bob Buchanan, who slept in the store, narrowly escaped burning. From Kirk's department store the fire spread rapidly, and soon consumed the entire Meadows block, the opera house, Meadows hotel, post office, steam laundry and other nearby buildings. Boyd Reid jumped from the third story of the Meadows hotel and was badly hurt.

#### Banks Incorporated.

Frankfort, Ky., Dec. 3.—The following banks have filed articles of incorporation with the secretary of state: People's Bank of Shepherdsville, Bullitt county. Capital stock, \$15,000. Incorporators, William and G. W. Simmons and Morrison Bros. Henderson County Savings bank, of Corydon. Capital stock, \$25,000. Incorporators, G. W. Crutcher, John Basket and 50 others.

#### Stockholders Must Pay.

Louisville, Ky., Dec. 3.—Judge Miller has handed down an important decision in which he holds that the stockholders of the defunct German-American Title Co. are liable under the double liability act for the unsecured debts of the company, which amount to \$117,611.40. The decision was in the case of Sol Levy against the stockholders.

#### He Took Poison.

Louisville, Ky., Dec. 3.—When "Bland John" Ryan, a professional beggar, entered Abe Roberts' saloon and said: "Boys, I've taken enough morphine to kill me and I'm going to die here," everybody in the saloon thought he was jesting. He was dead in a few hours.

#### Lives With a Broken Neck.

Mayfield, Ky., Dec. 3.—Chas. Hayden, who fell from the Baptist church Saturday afternoon, is still living. The fall caused the dislocation of the neck, but Dr. J. H. Wooley reduced the dislocation, and the patient may survive.
